To this Col. Frost replied, expressing his appreciation of the complement contained in the telegram.

The Third Term

The statement published vesterday in our Long Branch letter in reference to the probable coalition of Grant and the to have been outraged enemies of the republican party on the ing the aspect of the ode. ground of a third term created quite a man's neck ensation among the politicians. The dea seemed to gain ground that where so nuch smoke was there should be fire, ing superintended by Capita peared to some political wiseneres.—N. Y

As to the reported coalition between Grant and the enemies of the "Republiin party," we have given it no credit, hough, there appear to be conservatives who are inclined to support him. If he to him. We hear that I is a candidate again, the probabilities are. this place speak of presents that he will be taken up by the Republi-
